1 Introduction

The Central Seat Allocation Board (CSAB), erstwhile Central Counselling Board (CCB), has been constituted by the Ministry of Education, Government of India, for coordinated admissions to various undergraduate degree programs in engineering, technology, and architecture in NITs, IEST, IITs, SPAs, and other-GFTIs (called, the NIT+ system) based on Joint Entrance Examination (JEE) (Main) rank. In the academic year 2015-16, the CSAB of NIT+ system and Joint Admission Board (JAB) of IITs have entered into a Memorandum of Understanding to facilitate the joint seat allocation and counselling through Joint Seat Allocation Authority (JoSAA).

JoSAA-2024 jointly admit candidates for the first year of Engineering/Technology and Architecture/Planning Programs of IITs and NIT+ system (list displayed on the website: <https://josaa.nic.in>) for the academic session 2024-25. Admission to IITs through JoSAA-2024 is based on the JEE (Advanced) ranks whereas admission to the NIT+ system is based on JEE (Main) ranks of the candidates. There are five rounds of JoSAA counselling.

Apart from JoSAA-2024 rounds, CSAB-2024 is also responsible for the following centralized seat allocation processes.

- (i) **CSAB Special Rounds:** Upon completion of JoSAA-2024 rounds, if any seats remain vacant in the NIT+ system (excluding seats of IITs), two Special Rounds called CSAB Special Rounds are conducted by the CSAB-2024 through its own online portal (<https://csab.nic.in>).
- (ii) **CSAB Supernumerary Round:** The CSAB Supernumerary round counselling is conducted by CSAB-2024 through its online portal (<https://csab.nic.in>) for admission to supernumerary seats in selected NITs (NIT Durgapur, NIT Calicut, SVNIT Surat) for candidates with state of eligibility as Union Territories of Dadra & Nagar Haveli, Daman & Diu, Lakshadweep, and Andaman & Nicobar Islands.
- (iii) **CSAB NEUT Rounds:** CSAB-2024 also conducts CSAB NEUT rounds through its online portal (<https://csab.nic.in>) to allocate seats of AICTE approved Institutes under the scheme of “Reservation of seats in Degree Level Technical Courses for States / UTs lacking such facilities in the AICTE-approved institutions” to candidates of the North-Eastern states and Union Territories.

The Central Seat Allocation Board (CSAB - 2024) has been constituted with the Director, National Institute of Technology Karnataka, Surathkal, as its Chairperson vide Office Memorandum F. No. 37-1/2023 - TS.III, dated 30 Jan 2024, by the Ministry of Education, Govt. of India.

This document lays down the procedure/rules for **CSAB-2024 Special Rounds** for the NIT+ System which will start after the completion of the 5th round of JoSAA-2024. 5.3 Online Choice Filling and Locking

After the completion of fee payment, all the candidates are required to fill in their **FRESH CHOICES**. The previously filled Choices during JoSAA-2024 rounds (if any) stand **NULL AND VOID** and hence will **NOT** be considered for allotment in CSAB-2024 Special Rounds. Candidates are advised to carefully fill their FRESH CHOICES and save them frequently during the process.

- Registered candidates will be able to fill in their choices. All the programs of the NIT+ System for which they are eligible will be displayed to them, irrespective of vacancy status. Candidates are also advised to check the special eligibility criteria, if any, for the academic programs before filling their choices. A list such criteria is available in the CSAB website.
- The vacant seat matrix displayed to the candidates is tentative. Some additional vacant seats may be available at a later stage of counselling. Therefore, candidates are advised to fill in their choices of seats irrespective of the vacancy status.
- The candidates who have **SECURED** admission in JoSAA-2024 rounds are also eligible to participate in **CSAB SPECIAL ROUNDS**. Such candidates, while retaining

currently allotted seat, are also required to fill their choices of seats afresh. All valid choices will be shown to the candidates except the last **SECURED** seat at NIT+ System after JoSAA rounds. The last **SECURED** JoSAA seat will automatically be considered as the last choice for seat allotment. The willingness option (FLOAT/SLIDE/FREEZE) exercised by the candidates during JoSAA rounds stand **NULL AND VOID** for CSAB Special Rounds and all the filled in choices in the CSAB Special Rounds will be considered for allotment.

- (iv) Candidates **MUST** “lock” their choices on or before the last day of choice filling. If the candidates do **NOT** lock their choices, their last saved choices will be locked automatically upon reaching the deadline for choice filling (as per the CSAB-2024 Special Rounds schedule). Once locked, the choices filled by the candidates cannot be edited. Candidates willing to edit their locked choices may do so by submitting an online request in the CSAB portal well before the choice filling deadline. An OTP will be sent to the registered mobile number and email, which can be used to validate the unlock request. Once validated, candidate’s choices will be unlocked. Candidates will **NOT** be allowed to edit their choice-list after the deadline for choice filling, i.e., candidates **CANNOT** change the order of their choices **OR** add any more choices **OR** delete any choices from their choice-list after the deadline for choice filling. Candidates are strongly discouraged from sharing their login information/credentials with others.
- (v) Candidates must fill and save at least one choice of seat to be considered for seat allotment. Candidates who failed to fill and save at least one choice will **NOT** be considered for seat allotment and admission in CSAB Special Rounds.
- (vi) Candidates must **download and take a printout** of their locked choices. This printout consists of the terms and conditions as agreed by the candidates during choice filling.

5.4 Special Round-I

Seat Allotment

- (i) Seat Allotment result will be published **ONLINE** only. Candidates can view their allotment status after logging in the CSAB-2024 Portal by using their login credentials.
- (ii) Seat allotment will be carried out according to JEE (Main) - 2024 ranks (CRL) for the vacant seats.
- (iii) Candidates who have **SECURED** seats by the last round (5th round) of JoSAA-2024 and are not participating in CSAB-2024 Special Rounds, may undergo category upgradation against their **SECURED** seats. This means that their earlier allotted seats will be retained in the same program and in the same institute, but the seat category may be upgraded. For example, if a candidate has been allotted a seat in Computer Science and Engineering at NITK, Surathkal under OBC-NCL seat category, the candidate’s allotted seat category may be upgraded to **OPEN** seat category while retaining the seat to Computer Science

and Engineering at NITK, Surathkal , even if the candidate has not participated in CSAB Special Rounds.

Choose Willingness Option

Candidates who have been allotted seats in Special Round-I are required to exercise one out of the following **FIVE WILLINGNESS OPTIONS** as per the CSAB-2024 schedule:

- (i) **FREEZE:** Candidate **ACCEPTS** the allotted seat and does not want to participate in the next round of seat allocation. Such candidates will NOT be considered for Special Round-II.
- (ii) **SLIDE:** Candidate **ACCEPTS** the allotted seat and wishes to participate in the next round of seat allotment for a higher preferred choice of seat in the same allotted institute. In case a higher preferred choice is not allotted in the next round, the candidate will continue with the accepted seat.
- (iii) **FLOAT:** Candidate **ACCEPTS** the allotted seat and wishes to participate in the next round of seat allotment for a higher preferred choice of seat in the same or any other institute and branch. In case a higher preferred choice is not allotted in the next round, the candidate will continue with the accepted seat.
- (iv) **SURRENDER:** Candidate **REJECTS** the allotted seat and wishes to participate in Special Round-II. Seat allotted in JoSAA-2024 or CSAB-2024 Special Round-I will be **cancelled**. Allotment in Special Round-II will be considered from the choices higher than the surrendered seat.
- (v) **WITHDRAW:** Candidate **REJECTS** the allotted seat and does not wish to participate in Special Round-II. Seat allotted in JoSAA-2024 or CSAB-2024 Special Round-I will be **cancelled**. No new allotment will be made in Special Round-II in such cases.

Note: Willingness options SURRENDER/WITHDRAW can be exercised only **before the payment Institute Admission Fee-II**.

The following willingness is applicable only for those candidates who have NOT BEEN ALLOTTED any seat in Special Round-I.

- (i) **EXIT:** Those candidates who have not been allotted any seat in JoSAA-2024 rounds (NIT+ **System**)/CSAB-2024 Special Round-I can exercise the option of “**EXIT**”, if they desire. This implies that the candidate is not willing to participate in CSAB Special Round - II seat allocation process.

Document Uploading

Candidates with willingness option Freeze/Slide/Float are required to upload the necessary documents on their CSAB-2024 portal. This step is NOT applicable for the candidates whose

documents have been already verified in NIT+ System during JoSAA-2024 rounds 1–5, unless they have changed their credentials during the Registration for CSAB-2024 Special Rounds. This is also not applicable for the candidate who have exercised the willingness option SURRENDER or WITHDRAW. Candidates are required to upload the documents as per Annexure-3.

The uploaded documents will be verified only after successful payment of Institute Admission Fee-II, and the final status (**Seat Confirmation/Seat Cancellation**) will be reflected in the candidates' login portal on CSAB-2024. **It is the sole responsibility of the candidate to upload the appropriate documents and respond timely to any query raised during the online verification process.** Candidates are required to check their CSAB-2024 login portal frequently to respond to the queries, if any. In addition, the original documents will be verified for confirmation of seat allotment at the time of physical reporting at the Admitting Institute.

Payment of IAF-II

After seat allotment of Special Round-I, if the candidate exercises the willingness option **FREEZE/SLIDE/ FLOAT and has uploaded all the required documents**, she/he **MUST** pay the **Institute Admission Fee-II** using Net Banking/Debit Card/Credit Card or State Bank of India e-challan. The Institute Admission Fee-II is Rs. 35,000/- for GEN/GEN-EWS/OBC-NCL candidates and Rs. 12,500/- for SC/ST/PwD candidates. However, Type-6 eligible candidates (refer Section 3) are not required to pay Institute Admission Fee-II as they have already paid the PAF during JoSAA rounds.

Note:

- Payment of Institute Admission Fee-II is mandatory irrespective of whether the candidate has chosen FLOAT or SLIDE or FREEZE option.
- After payment of Institute Admission Fee-II, candidates are required to ensure Successful Online Reporting and Document Verification to provisionally confirm their seats as mentioned in Section 5.4, otherwise the seats will get cancelled.

Online Reporting and Document Verification

- (i) After seat allotment in Special Round-I, if the candidate opts for **FREEZE/SLIDE/FLOAT** and pays **Institute Admission Fee-II**, her/his uploaded documents will be verified **ONLINE** by the officials of the Verification Centers, as per the CSAB-2024 schedule, and the final status (Seat Confirmation/Seat Cancellation) will be reflected in the candidates' login portal on CSAB-2024.
- (ii) Document verification is applicable for the candidates whose documents have not been verified in NIT+ System during JoSAA-2024 Rounds 1 through 5. It is also applicable for the candidates whose documents have been verified in NIT+ System during JoSAA-2024

Rounds 1 through 5 but there is a change in credential/category/basic information related to the candidacy, at the time of CSAB-2024 Special Round registration.

- (iii) During document verification process, there may be **queries raised** by the Verifying Officers. The candidates must resolve the queries **by responding in time through their CSAB-2024 login portal** strictly as per the schedule given on CSAB-2024 website.
- (iv) It is the sole responsibility of the candidate to keep checking her/his reporting or document verification status and provide the necessary documents/information to the Verification Center official, if required, as per the schedule given on CSAB-2024 website.
- (v) The candidate is not required to visit the Allotted Institute after Special Round-I, even if a candidate has chosen “**FREEZE**” and her/his status of Online Reporting/Document Verification is successful. Physical reporting at the admitting institute shall be done after Special Round-II, details of which will be available on respective websites of the Institutes.
- (vi) After seat allotment in Special Round-I, if the candidate opts for “**SURRENDER**” then her/his currently allotted seat (from Special Round-I or retained/secured seat from JoSAA-2024) will be **CANCELLED** but the candidate will still be eligible for Special Round-II.
- (vii) After seat allotment in Special Round-I, if the candidate opts for “**WITHDRAW**” then her/his currently allotted seat (from Special Round-I or retained/secured seat from JoSAA-2024) will be **CANCELLED** and candidate will **NOT** be eligible for Special Round-II.
- (viii) Candidates who have SECURED their seats successfully during JoSAA-2024 by paying PAF and are participating in CSAB-Special Rounds, if DO NOT choose any of the options **FREEZE/SLIDE/FLOAT/SURRENDER/WITHDRAW**, they will be AUTOMATICALLY MOVED to Special Round-II with FLOAT as their default willingness option.

Candidates who are allotted seats for the **FIRST TIME** in the CSAB Special Round-II are required to go through the DOCUMENT UPLOADING, PAYMENT OF INSTITUTE ADMISSION FEE-II and ONLINE REPORTING AND DOCUMENT VERIFICATION through their CSAB-2024 portal. The steps are similar to that of Special Round-I as presented in this information brochure. Document verification will be done in the online mode by Verification Centers. Further, candidates are required to timely respond to queries (if any) put forward by the Verification Center Officials.

These steps are also **MANDATORY** for those candidates who have exercised willingness option “**SURRENDER**” after CSAB-2024 Special Round-I allotment, and fresh seats are allotted to them in CSAB Special Round-II, provided such candidates did not go through document verification in NIT+ System during JoSAA rounds.

5.6 Physical Reporting at the Allotted Institute

After completion of CSAB Special Rounds (I & II), candidates who have confirmed allotted seats are required to report physically at the Allotted Institute for admission (as per the schedule given on CSAB-2024 website). They are required to check the instructions available on the websites of the Allotted Institutes and complete all the admission modalities/formalities. **They are also required to pay the balance Institute Fee (as applicable), failing which their allotment may be cancelled and no refund will be admissible.**

The candidature for subsequent rounds of seat allocation, if any, will be established after due verification. The seat allocation in subsequent round is performed based on the available seats only.

7 Fee Adjustment and Refund

- (i) The Special Round Enrolment Fee includes Special Round Processing Fee of Rs. 5,000/- and the Institute Admission Fee-I. The Special Round Processing Fee is **NON-REFUNDABLE AND NON-ADJUSTABLE** towards the admission fee of allotted Institute.
- (ii) If the candidates who have deposited Fees against the allotted seats in any of the IITs during JoSAA Rounds are allotted seats in the CSAB Special Rounds, the fee deposited during JoSAA rounds will NOT be adjusted in the fee of the newly Allotted Institute in CSAB-Special Rounds. In such cases candidates have to go through the refund process and refund rules of IITs, if any.

If refund is admissible, the fee paid by the candidates during JoSAA-2024 (for NIT+ System) and CSAB-2024 Special Rounds (except the Special Round Processing Fee) will be refunded after the following deductions, as applicable.

- (i) JoSAA Processing Fee (Rs. 5,000/-): Upon acceptance of the offered seat as indicated by successful payment of Seat Acceptance Fee in JoSAA Rounds (for NIT+ System), the JoSAA processing fee of Rs. 5,000/- will be deducted from the fee paid.

OR

- who have been allotted seats in Special Round-II and fail to pay the Institute Admission Fee-II

OR

- the seat is cancelled due to ineligibility or inappropriate documents or not responding to queries of the verifying officials timely, during Document Verification of Special Round-II.

The deposited fees, for such candidates, will be transferred to the allotted institutes after deducting the processing charges of Rs. 5,000/- each for JoSAA-2024 Rounds and CSAB-2024 Special Rounds. The refund, if any, for such candidates shall be governed by the participating/admitting institutes.

Annexure-2

Performance in Class XII (or equivalent) examination
(Applicable only for candidates seeking admission to NIT+ System)

- The candidates should have appeared for the class XII (or equivalent) examination for the first time in 2022 or 2023 or 2024 and must satisfy **at least one of the following two criteria:**

1. Must have passed and secured at least 75% aggregate marks in the Class XII (or equivalent) Board examination. The aggregate marks for SC, ST and PwD candidates should be at least 65%.
2. Must be within the category-wise top 20 percentile of successful candidates in their respective Class XII (or equivalent) board examination.

The percentile calculation will be done for all the required subjects, in a single academic year only. Therefore, candidates appearing for improvement in Board examinations can EITHER appear in one or more subjects and secure 75% aggregate marks (65% for SC, ST and PwD) after improvement, OR, appear for improvement in ALL subjects to be in top 20 percentile (see Section titled “Regarding the cut-off marks for the top 20 percentile”) of the corresponding academic year.

In all cases, the marksheet is required to have been issued by the same examination board and marksheets from separate boards are not permitted.

- The marks scored in the following five subjects will be considered for calculating the aggregate marks and the cut-off marks. Candidates must also pass each of the following subjects in Class XII (or equivalent) in the years 2022, 2023, or 2024 to qualify for admission to the NIT+ System:

- ▶ For B.E./B.Tech. programmes

- (i) Physics
- (ii) Any one of Chemistry, Biology, Biotechnology, Technical Vocation subject
- (iii) Mathematics
- (iv) A language (if the candidate has taken more than one language, then the language with the higher marks will be considered)
- (v) Any subject other than the above four (the subject with the highest marks will be considered).

- ▶ For B. Plan. programme:

- (i) Mathematics
- (ii) Other four subjects (the subject with the highest marks will be considered).

- ▶ For B. Arch. programme:

- (i) Physics
 - (ii) Chemistry
 - (iii) Mathematics
 - (iv) Other two subjects (the subject with the highest marks will be considered).
- For calculation of the total marks for five subjects, if the marks awarded in a subject is NOT out of 100, then the marks will be scaled (up or down) to 100 so that the total aggregate marks is out of 500.
 - If a Board awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board specifying the equivalent marks and submit it at the time of acceptance of the allocated seat. In case such a certificate is not provided, the decision taken by the CSAB-2024 will be final.
 - For candidates who appeared in the Class XII (or equivalent) Board examination for the first time in 2022 and reappeared in ALL subjects (for whatsoever reason) in 2023 or 2024, the best of the three performances will be considered. Similarly, for candidates who appeared in the Class XII (or equivalent) Board examination for the first time in 2023 and reappeared in ALL subjects (for whatsoever reason) in 2024, the best of the two performances will be considered.
 - If a Board gives aggregate marks considering both Class XI and Class XII examinations (in the 10+2 system), then only Class XII marks will be considered. If a Board gives aggregate marks considering the results of all three years of a 3-year diploma or courses of equivalent duration, then the marks scored only in the final year will be considered. Similarly, for Boards which follow a semester system, the marks scored in the final two semesters will be considered.
 - In case any of the subjects (e.g. Physics, Chemistry, Mathematics or Language) are not evaluated in the final year (e.g., in a 3-year diploma course), then the marks for the same subject from the previous year/s will be used for calculating percentage of aggregate marks.
 - If a Board does not give marks scored in individual subjects but gives only the aggregate marks, then the aggregate marks given by the Board will be considered as such.
 - The above will also apply correspondingly to those candidates who first appeared for their Class XII examination in 2021 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2020-21 on or after October 25, 2021.

Regarding the cut-off marks for the top 20 percentile

- The category-wise cut-off marks for the top 20 percentile are calculated based on the marks scored by the successful candidates who appeared in their respective boards for all the required subjects, in the particular year.
- The cut-off marks for PwD candidates will be the same as the lowest of the cut-off marks for GEN, GEN-EWS, OBC-NCL, SC and ST categories.
- It is clarified that top 20 percentile cut-off for the academic year 2023–24 will be considered against the successful candidates who appeared in the Class XII (or equivalent) examination in 2024.
- Similarly, top 20 percentile cut-off for the academic year 2021-22 and 2022–23 will be considered against the successful candidates who appeared in the Class XII (or equivalent) examination in 2022 or 2023, respectively.
- Candidates who appeared in Class XII (or equivalent) examination for the first time in 2023 and wish to (or have to) reappear in 2024 with the objective to qualify through top 20 percentile cut-off criteria, must reappear in all the subjects. For such candidates, top 20 percentile cut-off for 2024 will be considered.
- In case a Board does not provide information about the cut-off for the top 20 percentile, the candidate will have to produce a certificate from the respective Board stating that he/she falls within the top 20 percentile of successful candidates. If the candidate fails to do so, then the cut-off marks, in the respective categories, for the Central Board of Secondary Education will be used.
- The above will also apply correspondingly to those candidates who first appeared for their Class XII examination in 2021 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2020-21 on or after October 25, 2021.

Regarding the aggregate marks of 75% (or 65% for SC, ST and PwD)

- The aggregate marks scored by the candidate in the 2024 Class XII (or equivalent) Board examination will be considered for candidates who will appear in the Class XII examination in 2024.
- The aggregate marks scored by the candidate in the 2023 Class XII (or equivalent) Board examination will be considered provided the candidate does not reappear in the Class XII (or equivalent) examination in 2024 in any of the subjects. Similarly, the aggregate marks scored by the candidate in the 2022 Class XII (or equivalent) Board examination will be considered provided the candidate does not reappear in the Class XII (or equivalent) examination in 2023 or 2024 in any of the subjects.
- If a candidate had appeared in his/her Class XII (or equivalent) in 2023 and wishes to

improve his/her aggregate marks to meet the “aggregate marks of 75% (or 65% for SC, ST and PwD) criterion”, he/she can reappear for any number of subjects he/she wishes for improvement. The percentage marks in this situation will be calculated by considering the marks obtained in 2023 or 2024, whichever is higher, in the respective subjects, in his/her two attempts in 2023 and 2024.

- If a candidate had appeared in his/her Class XII (or equivalent) in 2022 and appeared in improvement examination to improve his/her aggregate marks to meet the “aggregate marks of 75% (or 65% for SC, ST and PwD) criterion”, he/she can reappear for any number of subjects he/she wishes for improvement. The percentage marks in this situation will be calculated by considering the marks obtained in 2022 or 2023, whichever is higher, in the respective subjects, in his/her two attempts in 2022 and 2023.
- The above will also apply correspondingly to those candidates who first appeared for their Class XII examination in 2021 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2020-21 on or after October 25, 2021.
