LOCATION

Vision: To develop enlightened citizenship of a knowledgeable society for peace and prosperity of individuals, nation and the world, through promotion of innovation, creative endeavours and scholarly inquiry.

Mission: To serve as a beacon of change, through multi-disciplinary learning for the creation of knowledge community, by building a strong character and nurturing a value-based transparent work ethics, promoting creative and critical thinking for holistic development and self-sustenance for the people of India. The University seeks to achieve this objective by cultivating an environment of excellence in teaching, research and innovation in pure and applied areas of learning, with a focus on social enquiry, democratic ethos and inclusive socio-economic development, community outreach initiatives, scientific endeavours and technological advancement.

CENTRAL UNIVERSITY OF HARYANA

ACADEMIC PROGRAMMES

The University offers a comprehensive range of undergraduate, postgraduate, and doctoral programs across various disciplines, with an emphasis on innovative teaching methods and practical knowledge. The CUH curriculum is designed to meet the demands of a dynamic global environment while retaining Indian values and fostering local relevance. The University follows the Choice-Based Credit System (CBCS) and has implemented the National Education Policy 2020, promoting academic flexibility, interdisciplinary learning, and research excellence.

STUDENT WELFARE

The University has a well-established system for student welfare, which includes scholarships, financial assistance, and guidance for academic and personal growth. The Dean of Students' Welfare (DSW) ensures the overall well-being of students and addresses any concerns related to their academic and personal development. Different clubs organise a variety of activities to nurture the creative talents of students. From poetry and music to dance and drama, these clubs encourages participation in cultural events that foster creativity and expression.

OTHER FACILITIES

The university campus is equipped with a range of essential facilities such as a Guest house, Gym, Health Center, Transportation, Bank, Post office, etc.

STUDENT ACTIVITIES

The University actively encourages student involvement in extracurricular activities such as the National Service Scheme (NSS) and National Cadet Corps (NCC). These programs aim to develop leadership, discipline, and social responsibility among students. Sports and cultural activities are an integral part of the University's holistic education approach.

RESEARCH, INNOVATIONS & EXTENSIONS
 CUH emphasizes high-quality research, fostering a research-driven ecosystem that supports innovations across various domains. The University houses several research centers and laboratories equipped with modern facilities, funded through national and international grants. Research and innovation activities are closely aligned with industry trends, and the University promotes entrepreneurship through its Start-up Cell and Innovation Hub. The University has also outlined its own Research and Innovation Policy to ensure the development of a strong academic and innovation ecosystem.
