CENTRAL UNIVERSITY OF HARYANA

Jant-Pali, Mahendergarh - 123031

Haryana, India.

Shri Pranab Mukherjee

The President of India

Visitor, Central University of Haryana

“

As Indians, we must of course learn from the past; but we must remain focused on the future. In my view, education is the alchemy that can bring India its next golden age. Our oldest scriptures laid the framework of society around the pillars of knowledge; our challenge is to convert knowledge into a democratic force by taking it into every corner of our country. Our motto is unambiguous: “All for knowledge, and knowledge for all”.

Vice-Chancellor's Message

Dear Students,

It is my privilege and honour to welcome you to Central University of Haryana—a University accredited with Grade 'A' by NAAC and ranked amongst the top 150 Universities of the country by National Institutional Ranking Framework (NIRF), MHRD.

Universities being the fountainhead of knowledge owe much to the society. Today, every nation is looking towards its Universities and Institutions of Higher Learning with a hope for their maximum contribution in nation building. Youth being the target group of any academic institution of higher learning, it is the pious obligation of the higher education institutes to add value to the 'demographic dividend' by developing their professional skills *inter alia* contribution in the growth of the nation.

We, at Central University of Haryana, are committed to contribute from our side by focusing on nurturing and honing the young minds through holistic development. Academic and Research Programmes in universities have become fundamental in contributing to creation of knowledge leading to innovations and inventions. This is not merely an Information Bulletin to attract admissions, rather, it is a document containing all relevant information convincing the stakeholders to feel proud of the remarkable place University has achieved on the national map. This is the University that facilitates self-empowerment through higher education and research, and fuels national growth.

In a short journey of eight years, University has developed a holistic and credible curriculum for its 57 programmes of study spanning Under-Graduate, Post-Graduate and Research. University has developed a state of the art academic infrastructure with a well-stocked library having both print and online resources; well-equipped Computer Labs, Language Lab., Science Labs., Moot Court, hostel facility for male and female students, and 24X7 Wi-Fi facility in the whole campus. Working towards realization of its Vision and Mission, and in order to accomplish the academic agenda for promoting, producing and disseminating knowledge, quality research and fostering innovative thinking, the University, apart from running programmes with multi-disciplinary

approach, has adopted an engaging teaching-learning pedagogy and provides exciting environment for research.

The expansion of academic structure continues with the excellence in academics, research and innovations. In the past one year, University contributed 172 research papers/books; and 18 patents have been filed or awarded to the credit of the faculty in the areas of lignocellulosic bioconversion, biobleaching, enzyme production, nano structured carboxycellulose, biosensor, anti-bacterial formulation, and biodegradation of synthetic polymer. The University has been awarded with 34 research projects or fellowships in various areas of research, cumulatively worth around 12.5 crores, awarded by renowned national/international funding agencies like UGC, ICSSR, IUAC, SERB-DST, DBT, NIRD, International Network Grant (UK), and German Institute of Global and Area Studies.

Believing in the saying that, “Man of words, not of deeds, is a garden full of weeds,” Central University of Haryana has made all out efforts towards well-defined vision to serve the community. It is striving to realize this dream by building partnership with community, industry, neighborhood educational institutions, and with all stakeholders. Some of the centers, cells and clubs of the University are rigorously pursuing the agenda of community development. For example, Centre for Community Development, Centre for Innovations, Skills and Entrepreneurship Development, Cell for Differently-Abled/*Divyang*, Women Empowerment Cell, Legal Aid Clinic, NSS/YRC Units, SC/ST Grievances Cell, Grievances Redressal Mechanism for students, Internal Complaint Committee (ICC) for Prevention, Prohibition and Redressal of Sexual Harassment, and most importantly, Equal Opportunity Cell.

University is fully dedicated to make the learning environment more democratic and inclusive. Realizing the mission to serve the neighboring community, University has adopted eight neighboring villages—*Jant, Pali, Dholi, Malra, Bhurjat, Lavan, Sehlang and Dhana*. The University is working steadily for the holistic development of the region. To bring quality education to the doorstep of the villagers, free remedial classes are organized by the research scholars in the University Campus for the school-going students of the villages. The University provides necessary educational resources (including consultation, counselling and special sessions) to the students of the adopted villages. Some of the major social outreach initiatives taken by various cells and clubs such as Centre for Community Development, *Unnat Bharat Abhiyan* Cell, Women Empowerment Cell, Legal Aid Clinic etc. include—Legal awareness survey, Legal literacy and AADHAR Card camp in the University for the villagers; gender sensitization programmes in the adopted villages by the Women Empowerment Cell of the University; Tree plantation drives in and outside the villages; sensitization programmes on health, hygiene, sanitation, ecological and environment issues and cleanliness drives. University is committed to implement the ambitious campaigns like *Swachh Bharat Abhiyan, Rashtriya Aiskar Abhiyan* and *Unnat Bharat Abhiyan*, and *Vittiya Saksharta Abhiyan* through its cells, clubs, centres and teaching departments.

As envisaged by our worthy Prime Minister i.e. to make India Less-Cash economy, University confirmed its place in the league of Universities with largest number of volunteers’ registered under *Vittiya Saksharta Abhiyan* (VISAKA) launched by Ministry of Human Resource Development, Government of India. With the community support and vigorous efforts of University volunteers, *Vittiya Saksharta* could be imparted to the villagers of the adopted villages.

University has always been committed to contribute in sensitising the neighbouring community about the welfare programmes of the Central and the State Government including *Beti Bachao-*

Beti Padhao, Swachha Bharat Abhiyan, Make in India, Pradhan Mantri Kaushal Vikas Yojna, Digital India, Vittiya Saksharta Abhiyan (VISAKA) and the schemes under Haryana Swarna Jayanti celebrations, as the part of its Social Outreach initiatives.

In order to give a fillip to core education programmes for teachers in the region, the University is starting the B.Ed., M.Ed. and other teacher training programmes through the School of Education by bagging an ambitious project under the flagship scheme of Pandit Madan Mohan Malviya National Mission on Teachers and Teaching and a grant of over Rupees 11 crores.

The University has responded to the clarion call of our Hon'ble Prime Minister Shri Narendra Modi ji for Skilling India by actively partnering in the Deen Dayal Upadhyay Kaushal Kendra scheme of UGC. Under this scheme, the University is offering three region relevant B.Voc. programmes in the field of Biomedical Sciences, Industrial Waste Management and Retail and Logistics Management with a major component being dedicated to skill development through industry internships and industry training to make our youth job ready and entrepreneurs. In order to provide impetus to technical education and cater to the demand of proficient technocrats, the University, under the umbrella of School of Engineering and Technology, is offering four B. Tech. programmes in Computer Science and Engineering; Civil Engineering; Electrical Engineering; and Printing and Packaging Technology.

While constantly dedicating itself towards realizing its well-defined vision and mission, one feather has recently been added in University's cap i.e. the first cycle of NAAC accreditation with Grade-A.

Whereas I am happy to share these achievements of University in the recent past, I promise to escalate the grip of University on the path of development even better next year.

Jai Hind!

(Prof. R.C. Kuhad)

BLUEPRINT AND ROADMAP FOR THE FUTURE

To put the institution on a high growth trajectory for achieving excellence in teaching, research and innovations, University leadership has charted out the holistic roadmap to be pursued in the coming years.

1) Major thrust areas that the University proposes to focus:

- I. Identifying the prospective areas requiring immediate attention for creating vibrant academic and research environment and to review all the ongoing projects in the institution.
- II. IQAC will play a greater role in the University governance to ensure further gains made by the University in being accredited with Grade 'A' by NAAC. Priority will be given for implementing the mandate of NAAC to strengthen best practices in the University and to enable the University in achieving greater heights in Academics, Research and Innovations.
- III. Making the website a repository of all the available information, facilities, resources and opportunities which the University offers so that the stakeholders of the University are not deterred by any barriers of geographical location while accessing the relevant information. Open educational resources (OERs), Massive Open Online Courses (MOOCs), resources under National Mission on Education through Information and Communication Technology (NME-ICT) and resources available under 'Creative Commons' license are being linked to provide vast pool of useful and supplementary material to the students. MOOCs will offer the students anytime-anywhere learning environment, which is becoming increasingly popular as one of the most effective tools for knowledge sharing and dissemination. The University is already registered with the National Digital Library (NDL) and all the Students and Faculty Members are provided with a Login ID to access the vast repository of e-material, e-books and other OER available with NDL for enhancing their knowledge seeking experience.
- IV. Credible open forums in the form of Cells and Clubs have been established for interaction between the teaching, learning and the non-teaching community to understand their needs, demands and aspirations for bringing about the desired change.
- V. **Skill Development Center:** The University has already established Skill Development Center under the aegis of Deen Dayal Upadhyay KAUSHAL Kendra and is in the process of expanding its ambit and reach so as not only to cater the needs of students in B.Voc. but also to empower other students with various life skills through its unique programmes. Credible partnerships have been established with the Industry to provide internships and skill based on job training to the students of B.Voc.
- VI. **Central Instrumentation Facility:** The University proposes to establish a Central Instrumentation Facility to cater to the inter-disciplinary and trans-disciplinary research needs of the departments and also to create synergy amongst departments for optimal utilization of high-end research facilities.
- VII. Establishment of University Development Corpus Fund to create a corpus for funding, supporting, sustaining academic and research initiatives of various in-house Centres and Institutes, faculty members, research scholars and students is in process. The University has already firmed up a proposal under the aegis of Centre for Innovations, Skill and Entrepreneurship Development (CISED) through which it invites proposals for conducting Research and

Innovations at the Grass-root levels. The corpus involves generation of funds from but not restricted to:

- a) Industry
- b) Alumni Endowments
- c) Overhead grant from Extramural Research grants
- d) Consultancy
- e) Patents and technology transfer
- f) Grant from International bodies under their social and academic initiatives
- g) Memorandum of Understanding with various Industry, Government and Research Institutions for collaborative efforts in developing new and innovative sustainable technologies.

VIII. Special initiatives and programmes for differently-abled and disadvantaged students to realise the vision of inclusive quality education. All efforts are being made to make the campus differently-abled and disadvantaged-friendly as per the requirements and guidelines of Government of India. A duly constituted Cell for Differently-abled is involved in monitoring of progress and initiating affirmative action for exploring the possibilities to create and generate employment opportunities. Grants and aid will also be provided to deserving students for enhancing their employability and skills.

IX. **Equal Opportunity Cell** is ensuring that all sections of the students are provided appropriate support and special initiatives are being undertaken for bringing students of the backward and underprivileged sections at par with others by offering them a level playing field for competition. For this Special Discipline-centric Remedial Classes, Coaching Classes for NET and entry into Services are organized by the Cell.

2) **Empowering and strengthening the existing University system:**

- I. **E-Governance:** To bring the entire functioning of the University under the ambit of e-Governance, the University has implemented online processes in some key areas like Admissions, Recruitments and Examinations. The entire university is being linked through intranet so that all the schools, departments and centres will be on a common network.
- II. **Transforming education system for creating exciting opportunities-** Implementation of Choice-Based Credit System (CBCS)
 - a) Shift in focus from teacher-centric to student-centric education.
 - b) Students to choose innovative curriculum through inter-disciplinary, intra-disciplinary courses, skill oriented papers, vocational education and encourages more flexibility for students.
 - c) Makes education broad-based and at par with global standards
 - d) Ease of mobility for students
- III. **Faculty Development Programmes:** Creating opportunities for the faculty to get oriented to latest innovative pedagogies, research methodology and professional skills by providing training through induction courses/workshops and seminars at regular intervals.

For this purpose Faculty Induction Cell has already been established and various programmes are being explored under the aegis of Pandit Madan Mohan Malviya National Mission on Teachers and Teaching.

- IV. **School/Department development programmes:** Enriching state of the art labs with more equipment and securing funds from various Government of India schemes for creating department-centric research facilities and developing Learning Resource Centres. Consolidation of existing departments by providing faculty with certain basic infrastructure to facilitate and accelerate research output of the Department.
- V. **New learning and teaching pedagogy initiatives:** Developing e-learning material and MOOCs to facilitate anytime-anywhere learning mode for the students and provide them with better learning opportunities for enhancing their knowledge gathering experience.
- VI. **Modernization of the Library:** Library is the temple of wisdom and knowledge in a university. Apart from acquiring new and existing titles and increasing the subscription of journals, one of the key features is that the library has been linked to the National grid and NDL so that access to all the e-resources including Research Thesis and e-journals and e-books that are subscribed through INFLIBNET and its affiliated universities and institutes are also available to the university students. This will also result in saving precious national resources.
- VII. **Placement Opportunities:** The Placement Cell has been refurbished and Central Placement Cell has been set up which is coordinating all placement related activities of the University, so that coordinated and concerted efforts are made to bring maximum number of students under its ambit. Registration and profiling of all students in the placement cell has been made mandatory so that each student gets the opportunity to optimize their search for a career of choice and discover their true calling.
- VIII. **Strengthening of Examination System:** University is in the process of implementing/has implemented the following processes:
 - a) Online registration for examination
 - b) Online issue of admission card
 - c) Online submission of question papers
 - d) Centralized evaluation of courses
 - e) Decentralization of examination by empowering University Teaching Departments
- IX. **Academic Auditing:** IQAC will be responsible for evaluation of all academic, research and associated activities of different Departments, Centres and Institutes of the University. It is also tasked with setting up of future benchmarks for the university. IQAC has already mandated that all University Departments will undergo an annual Academic Audit.
- X. **Centre for Innovation, Skill and Entrepreneurship Development:** This centre has become a dynamic hub to encourage innovative thinking, incubate ideas, change mindset, impart life-skills, foster entrepreneurial capabilities and increase the employability of the students. There are regular interactions between the academia and the industry under the aegis of this centre. Special emphasis is laid for developing soft skills of the students like communication, team building, leadership and domain skills. Tie-ups are being made with both public and private partners to provide vocational and entrepreneurial training to the students for setting up their

own Micro, Small, Medium Enterprises (MSME's) apart from regularly organizing 'Shodh Yatras', Grass-root Innovators meet, Innovation Exhibitions and promote representation of grass-root innovators at various national and international forum.

- XI. **Instrumentation and Analytical Techniques:** Instrumentation is a rapidly growing field in India. There is huge potential in this field as India gears up to provide quality and cost effective alternatives to expensive imported instrumentation that is currently available in the market. Analytical Techniques and their applications cover a wide spectrum of disciplines ranging from Life Sciences, Physical Sciences and Material Sciences providing cutting edge solutions particularly in research areas. University has already entered into MoU with Technology Applications Services (TAS), New Delhi and Central Electronics Engineering Research Institute (CEERI), Pilani to facilitate the same.
- XII. **Group for promotion of Art, Culture and Heritage and Movie Club:** University has introduced the Group for promotion of Art, Culture and Heritage to facilitate the extra-curricular and co-curricular activities. Similarly, University has constituted a Movie Club to provide a platform for the students and faculty for cinema appreciation and studies. University also proposes to start the Centre for Art, Heritage and Culture to promote studies and researches in the field of Culture Studies, and studies on indigenous arts, culture and heritage. Besides this, the centre will be dedicated to preserving folk arts, music and literatures. It will strive to inculcate appreciation of Art, Culture and Heritage amongst the various stakeholders of the University and initiate a dialogue on its various aspects and finer nuances.

3) **Self-sustaining Initiatives:**

- I. **Developing crucibles of learning and development:** Motivating staff and students to develop models, experiments, technologies to catalyze local/ regional/ national growth and development in association with local industries, trade hubs and handicraft centres.
- II. **Research Council:** The University leadership will use its long-standing experience in handling various research projects granted from different funding agencies under different Departments of the Government of India to ensure that funding is made available to various Departments, Schools and Centres. Further efforts will be made to bring experts and people of eminence in their respective fields to head/advise the existing departments and new departments and centres for providing proper direction.
- III. **Solid Waste Management:** Initiatives for solid waste management will be undertaken so that the university becomes a zero-waste university. Options will be explored for utilizing the waste to create energy and other productive materials. A B.Voc. course has been launched in the field of Industrial Waste Management.
- IV. **E-Waste management:** E-waste is increasingly becoming an environmental disaster and processes will be put in place to recycle and effectively dispose the e-waste that is generated by the university people.
- V. **Energy generation:** Setting up of solar street lamps, solar panels on university building's rooftops and designing of new buildings on the concept of zero- energy/green buildings.
- VI. **Rain-water harvesting:** A feasibility study is being conducted to implement rain-water harvesting so that university is able to meet at-least part equipment of water from its own sources. Rainwater harvesting is already being practiced by the University at micro-level.
- VII. **Sports Academy:** Since the university has ample land available with it, hence part of that land

will be utilized in setting up a sports academy for creating world-class infrastructure for students. This facility will also be leased out/ memberships provided so that the academy also earns revenue for the university. Moreover, special emphasis will be given for establishing sports facility for differently-abled persons.

VIII. **Organic Farming:** Keeping in mind the vast expanse of land available with the university, an organic farm will be set up and the produce will be sold at the local/regional markets to earn some revenue for the university. Moreover, it could be used for training the students and for demonstration purpose for the local population. A small model organic farm has already been established in the University.

IX. **Solar Power Plant:** University has established a 250 KW solar power generation plant as a sustainable means to generate eco-friendly and cost-effective energy and to become energy self-sufficient.

4) **Possible challenges and proposed steps to overcome the roadblocks:**

- I. Identification of areas of affirmative action will be a challenge, as this would involve collecting information from all components of the university with all possible suggestions for such areas. IQAC will take up this challenge particularly in view of the requirements of NAAC.
- II. Sometimes, the constraint with public universities is that though they have the best talent but due to lack of proper advertising and publicity, they do not attract best recruiters with good job profiles. Also funding for student welfare initiatives may sometimes pose a constraint. Some funds will be set aside for proper visibility, and special funds will be created for imparting vocational and entrepreneurial training at a nominal cost. Sponsorships will be sought for conducting placement drives smoothly.

The University has completed the construction work of the three new Academic Blocks and Staff Quarters, while construction work of second phase including Administrative Block, new Hostel Blocks, Health Center, and University Guest House is being speedily expedited. It is expected that the new Academic Session will see the University speeding up the pace of Academic, Research and Infrastructure development to position itself as a premier institution and torch-bearer in the region.

ABOUT CENTRAL UNIVERSITY OF HARYANA

University

The Central University of Haryana (established vide Central Universities Act 2009) is the only University of the state of Haryana to be funded and regulated by University Grants Commission and Ministry of Human Resource Development (MHRD), Government of India.

Central University of Haryana is located at Jant-Pali villages of district Mahendergarh in South Haryana. Mahendergarh is now a part of the extended National Capital Region (NCR) and is around 125 kilometres away from Delhi. It is well connected to Delhi through railways.

Visitor of the University

His Excellency, The President of India, Shri Pranab Mukherjee

Vice Chancellor

Prof. R.C. Kuhad

Vision

To develop enlightened citizenship of a knowledge society for peace and prosperity of individuals, nation and the world, through promotion of innovation, creative endeavours, and scholarly inquiry.

Mission

To serve as a beacon of change, through multi-disciplinary learning, for creation of knowledge community, by building a strong character and nurturing a value-based transparent work ethics, promoting creative and critical thinking for holistic development and self-sustenance for the people of India. The University seeks to achieve this objective by cultivating an environment of excellence in teaching, research and innovation in pure and applied areas of learning, with a focus on social enquiry, democratic ethos and inclusive socio-economic development, community out-reach initiatives, scientific endeavours and technological advancement.

Objectives of the University

The objectives of the University are:

- To disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit;
- To make special provisions for integrated courses in humanities, social sciences, science and technology in its educational programmes;
- To take appropriate measures for promoting innovations in teaching-learning process and inter-disciplinary studies and research;
- To educate and train manpower for the development of the country;
- To establish linkages with industries for the promotion of science and technology; and
- To pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development.

Quality Statement

Perseverance, determination, enquiry, ethical conduct, probity, transparency, accountability and continuous self-evaluation and improvement to form the cornerstones of all endeavors' for holistic and inclusive growth and development of society through excellence in academics, research and all other relevant and meaningful pursuits.

University Mantra and Academic Framework

The University aspires to realize the vision “to develop enlightened citizenship for a knowledge society for peace and prosperity of individuals, nation and the larger world through promotion of innovation, creative endeavors and scholarly inquiry” which is being guided by the University authorities including the Visitor, Chancellor, Vice Chancellor, University Court, Executive Council, Academic Council, Finance Committee and the other stakeholders.

The University is one of the foremost universities in the country to implement CBCS at the Post Graduate level. The University system comprises Schools equivalent to a Faculty in traditional University System, which have been defined very broadly and with wider flexibility. Each School is headed by the Dean and the Departments/Centres under the School are headed by the Head/Director. Schools have interdisciplinary and multi-disciplinary approach with focus on both pure and applied aspects of learning. Dedicated to its vision and mission, University is offering the programmes of studies in the following Schools of Studies during the Academic Session 2017-18:

1. School of Arts, Humanities and Social Sciences
2. School of Language, Linguistics, Culture and Heritage
3. School of Law, Governance, Public Policy and Management
4. School of Chemical Sciences
5. School of Computer Science and Informatics
6. School of Physical and Mathematical Sciences
7. School of Earth, Environment and Space Studies
8. School of Journalism, Mass Communication and Media
9. School of Interdisciplinary and Applied Life Sciences
10. School of Education
11. School of Engineering & Technology

There are 30 Departments of Study, which are clubbed under 11 Schools of Study.

The Ph.D. programmes are offered by the following departments: Biotechnology, Economics, Education, English and Foreign Languages, Hindi & Indian Languages, Management Studies, Microbiology, Nutrition Biology, Political Science, Statistics, Commerce, Law, Sociology and Chemistry.

The M.Phil. programmes are offered by the departments of Economics, Education, English and Foreign Languages, Hindi and Indian Languages, and Political Science.

Twenty-five departments offer Post Graduate (PG) programmes.

University offers three B.Voc. Programmes under Deen Dayal Upadhyay Kaushal Kendra.

School of Engineering and Technology offers B.Tech programmes in four branches of Engineering under four different departments.

The University is also introducing B.Ed. and M.Ed. under School of Education from the academic session 2017-18.

University Logo

'Achieving through Believing'

University Logo is conceived with a globe at its centre surrounded by holy trinity of three arcs and at the bottom is a shloka taken from *NeetiShatkam* written by Bhartihari.

The arc at the bottom depicts an open book and a Veena, symbolising University's commitment to meeting the quest for acquiring knowledge, learning, enlightenment and promoting art and culture.

The arc at the right depicts processes of science, technology and adventure symbolising the University's commitment to developing scientific temper, enquiring approach and creating a culture of creativity and innovation for holistic development.

The arc at the left that depicts nature and symbolises University's commitment to promoting value based education, ethical conduct, inculcating respect for environment, ecology and living in harmony with nature.

The globe at the centre surrounded by the human chain and the pigeon flying above expresses University's belief that commitments represented by the trinity of three arcs shall lead to free spirit, global peace, prosperity and human solidarity-the real spirit of education.

The shloka "***Vidyadhanam Sarvadhanapradhanam***" at the bottom conveys that 'knowledge' is the unrivalled attainment for all.

ABOUT MAHENDERGARH, HARYANA

The Central University of Haryana is located at Jant-Pali villages of district Mahendergarh in South Haryana. Mahendergarh is now a part of the extended National Capital Region (NCR) is around 150 kilometers away from Delhi. It is well connected to Delhi by road and railways. The headquarter of Mahendergarh district is situated at Narnaul.

Mahendragarh was earlier known as 'Kanaud' because of its association with Kanaudia group of Brahmans. During the middle of the nineteenth century, it came to be known as Mahendergarh. After India achieved Independence, the Mahendergarh district along-with the other districts of the Patiala State formed part of the Patiala and East Punjab State Union (Pepsu in 1948) and merged with Punjab in 1956. When Haryana became a separate state out of Punjab in 1966, Mahendragarh became one of the districts of the new state.

The name of Haryana instantly conjures up the image of a State which astonishingly combines both antiquity and plenty. The Vedic land of Haryana has been a cradle of Indian culture and civilization. Indian traditions regard this region as the matrix of creation of northern altar where Brahma performed the pristine sacrifice and created the universe. Replete with myths, legends and Vedic references, Haryana's past is steeped in glory. It was on this soil that saint Ved Vyas wrote Mahabharata. It was here, 5,000 years ago, that Lord Krishna preached the gospel of duty to Arjuna at the onset of the great battle of Mahabharata: "Your right is to do your duty and not to bother about the fruits (Outcome) thereof!" Since then, this philosophy of the supremacy of duty has become a beacon to succeeding generations.

The region has been the scene of many wars because of it being 'A Gateway to North India'. As years rolled by, successive streams of the Huns, the Turks and the Tughlaqs invaded India and decisive battles were fought on this land. At the end of the 14 century, Taimur led an army through this area to Delhi. Later, the Mughals defeated the Lodhis in the historic battle of Panipat in the year 1526. Another decisive battle was fought in the year 1556 at this very site, establishing the supremacy of the Mughals for centuries to come.

The history of Haryana is the saga of the struggle of a virile, righteous, forthright and proud people. From ancient times, the people of Haryana have borne the main brunt of invaders and foreign hordes with their known traits of bravery and valour. They have survived many upheavals, upholding the traditional glory and greatness of the land to this day. The epoch-making events of yore, the martyrdom in the First War of Indian Independence in 1857, the great sacrifices in the freedom struggle, and the display of outstanding valour, unflinching courage, and heroism in recent years are all in keeping with the character of this land of action. Bold in spirit and action, the people of Haryana have formed a bulwark against forces of aggression and anti-nationalism.

Haryana has always remained a rendezvous for diverse races, cultures and faiths. It is on this soil that they met, fused and crystallized into something truly Indian. Hindu Saints and Sikh Gurus have traversed the land of Haryana spreading their message of universal love and brotherhood. Sihi in Faridabad, the birthplace of great Hindi poet Surdas, is another nucleus of culture in Haryana while the legend of Lord Krishna is very evident in the lives of the people. The love for cattle and the abundance of milk in the diet of Haryanavis persists to this day which gave to the region world-wide fame.

ACADEMIC PLANNING

Even though the University is in its nascent stage, a detailed academic plan has been prepared, which is being implemented in phased manner. Following are some of the salient features of the academic planning:

- Student centric approach to education.
- A supportive climate generating excitement of research, innovation and creation of new knowledge.
- A holistic environment inculcating a culture of sensitivity, reflectivity and responsiveness towards higher goals of human development.
- A harmonious campus promoting leadership and development opportunities and facilities to meet the needs of students and staff.
- Technology to advance educational purpose, including instructional technology, students support services, and life-long learning (virtual classroom, on-line lessons and examinations, e-teaching and learning).
- Commitment to share physical and human information, and other resources in collaboration with institutions of higher education in India and outside.
- To focus on inter-disciplinary and multi- disciplinary approach to teaching, learning and research.
- To review and revise curriculum and courses periodically by bringing in latest development and getting feedback from faculty, students and other stakeholders including industry, business, corporate sector and community.
- To adopt more sensitive and reflective teaching pedagogy - participatory, interactive and collaborative approach to learning, seminar courses, and applied approach to learning to guide academic agenda.
- To follow semester system and Choice Based Credit System. System of evaluation to reflect not only learning subject contents but also the contribution made and experiences gained in the class.
- To develop curriculum and courses to meet challenges and opportunities thrown by internationalization of higher education.
- To build strong partnership and alliances with higher education institutions, national and international.
- To promote international collaboration through Joint Degree, Joint Research Projects and Twinning Programmes.
- To be centre of attraction for foreign students by taking advantage of low cost, better facilities, democratic ethos and credibility of Indian higher education system.
- Sustainable development nurturing innovation in science and technology, computer and informatics, law and governance.
- Promoting world-class research in areas such as energy and environment that are important to us today in the region and the world.

Note:

- 1) Schedule for Supernumerary Seats is fixed for 28-07-2017 for all Departments (Reporting Time 10:00 am to 12:00 noon)
- 2) Eligibility Criteria for UG/PG admissions:
 - a) All candidates who have registered for CUH in the CUCET-2017 examination for a particular course and register themselves online (13.06.2017-25.06.2017) on CUH website for that particular course shall be eligible for consideration of admission to that particular course. The cut-off list for counseling shall be prepared strictly on the basis of merit in CUCET-2017 examination only and candidates shall be called in the ratio of 1:5 against each seat for which admission is offered. In case more than one candidate has the same score as the last candidate to be called for counseling then all such candidates with the same score will be called for counselling.
 - b) A Candidate who has applied for CUH in CUCET-2017 examination for a particular course but did not register online on CUH website for that course is not eligible for admission to CUH.
 - c) A Candidate who did not register for CUH in CUCET-2017 examination for a particular course but wants to register online on CUH website now for admission to the said course, is not eligible for admission to CUH.
 - d) A Candidate who did not register for a particular course of CUH in CUCET-2017 examination but wants to seek admission in that course now, is not eligible for admission in CUH.
- 3) In case of more than one candidate having same score for a particular seat for which admission is being offered then the admission merit list will be based on the seniority of the candidates in terms of age i.e. candidate having more age will be considered first in merit. In case there is a tie in age also then candidate with more marks in the qualifying examination will be considered higher in merit.

- 4) In case any seats remain vacant in any of the Programmes then the respective Departments will notify further counselling schedule. All the candidates are requested to contact the respective Departments and visit the University Website for further information.
- 5) In case the seats for Ph.D. Programme are not available immediately in Departments, the schedule for counselling and Interview will be notified as and when the seats will be available. Students are requested to regularly check with the concerned department and visit the University website for the latest updated information.
- 6) In case a student does not have any required certificate, he/she can submit an undertaking regarding submission of same preferably within 15 days but not later than 30-08-2017, failing which his/her provisional admission shall stand cancelled without any notice to him/her.
- 7) The Candidates who report for a particular counselling but whose name is not in the final merit list for admission for that counseling shall be considered in the Counselling Cut-off list for the subsequent counseling if seats remain vacant. In addition to such candidates, candidates will be called in order of merit based on the CUCET score starting from where the previous cut-off list ended for a particular category in the ratio of 1:5 for each vacant seat.
- 8) Candidates who do not report for a particular counselling shall not be considered in the Counselling Cut-off list for the subsequent counselling.
- 9) Candidate who come for a particular counselling and their name is in the final merit list for admission but who do not pay the fees in the specified time period shall forfeit their right for admission and shall not be given a second chance in subsequent counselling.

SPECIAL FEATURES OF CUH CAMPUS

A. Starting of Innovative, Interdisciplinary and Skill Based Programs:

- a) **Implementation of Choice Based Credit System (CBCS) at the Post Graduate Level:** The University has implemented Choice-based Credit System (CBCS) in PG programmes across all disciplines with effect from academic session 2015-16. The University is offering Multi-disciplinary & Skilled Based courses as Generic Electives for every programme of study at the post-graduate level and students are required to earn a minimum number of credits from these courses as part of the fulfillment of their degree requirement.
- b) **Global Initiatives for Academic Networks:** The University has been awarded seven GIAN courses in the field of Starters and Start-ups, Entrepreneurship, Skill Development, Innovation and Sustainable Development through Microbial Biotechnology and many more are in the pipeline in varied fields like Health and Nutrition, Biochemical techniques and new diagnostic tools, innovative educational pedagogy, Geophysical Techniques and Earth Sciences, Environmental Studies and Energy Conservation, Innovative Mathematical Techniques, language and Linguistic Studies. Through these courses the University is looking to build network with internationally renowned academicians and researchers in these fields for giving a boost to these areas and for forging strategic partnerships with internationally acclaimed institutions for collaboration in Academics, Research and Innovation.
- c) **B.Voc. Programmes under Deen Dayal Upadhyay Kaushal Kendra Scheme:** The University has been awarded with 3 B. Voc. courses under the Deen Dayal Upadhyay Kaushal Kendra Scheme which started from the Academic Session 2015-16 in the areas of Retail and Logistics Management, Biomedical Sciences and Industrial Waste Management and are focusing on development of entrepreneurship and skills.
- d) **Student Counselling System:** The University has developed a robust and responsive student counseling system sensitive to the needs and aspirations of the students. The student counselling system has individual student counsellors, then class counsellors, and then departmental counsellors. The hostel also has a similar counselling system starting from individual student counsellors, class counsellors, and then hostel counsellors.

B. Implementation of Online Processes, Services and Facilities:

- a) **Online Admission Process:** The University has made the admission process for admission to various programmes of study and its hostels completely online.

Admission to PG/M.Phil Course

- Entrance Exam through CUCET (Central Universities Combined Entrance Test). This process is completely online.
- Final Admission of the candidates to the university is done after receiving their preference for this university. The process is being made completely online from Academic Session 2016-17.

- Admission forms to be provided online along with facility for submission of scanned copy of documents.
- Counselling and physical verification of documents to be done offline.
- Submission of fees for final admission can be offline as well as online as per convenience of the students.

Admission to Ph.D.

- Entire process of admission is being made completely online from the Academic Session 2016-17. Admissions to be conducted twice a year in July and January.
 - The admissions for Ph.D. program in July to be done through CUCET. This process is completely online.
 - The admissions for Ph.D. program in January to be done by CUH. This process is being made completely online from the Academic Session 2016-17.
 - Notification and filling up of application forms is being made available online completely from the Academic Session 2016-17.
 - Entrance test to be held offline.
 - Shortlisting of candidates and filling up admission form is being made online from the Academic Session 2016-17.
 - Counselling and physical verification of documents to be done offline.
 - Submission of fees for final admission can be offline as well as online.
- b) **E-Resources:** The University website provides all e-resources under the University Library System like maintaining links for National Digital Library, e-Books, Judgment Information System, National Science Digital Library, Online Periodicals Repository, GOI web directory, NPTEL, e-Shodh Sindhu, e-PG Pathshala.
- c) **Online Administrative and Student related forms:** All student related forms like identity card application form, library membership form, wi-fi password form, etc. are available online for students. Similarly all administrative forms like identity card application form, library membership form, Leave forms, LTC forms, etc. are also available online.
- d) **Online Recruitment Forms:** The university is in the process of making all recruitment application forms online. The University successfully implemented this for filling of recruitment application forms for Administrative and non-teaching posts for which the recruitments are underway.

C. Success Stories:

(i) Innovation Initiatives @ CUH:

A Centre for Innovation, Skill and Entrepreneurship Development (CISED) has been established. CISED is actively involved in organizing Exhibitions, Innovators Meet, Shodh Yatra and is partnering with Grass-root and State level Innovators for developing new and credible innovations and technologies for inclusive and sustainable development.

- a) **Convert waste to wealth:** The University conducted an exhibition of waste to wealth products in 2015 in which the waste wood was converted into useful decorative and utility items. The University has started a B.Voc. programme on Industrial Waste Management under Deen Dayal Upadhyay Kaushal (DDU) Kendra Scheme to develop and disseminate techniques for converting industrial waste into useful products.
- b) **Recycle and reuse:** The University has a sewage treatment plant in which waste water is treated to be reused for watering the gardens and plants. The University through CISED has associated some grass-root level innovators who are recycling various waste material particularly plastic waste like bottles, plates etc. to be re-used as useful material
- c) **Promote local technology:** The University through CISED is also engaging in Energy Harvesting through new and innovative methods for meeting everyday small energy needs. CISED has developed a car which runs on air and a prototype of a car which used various forms of renewable energy like solar, mechanical, sound etc. for running the car. The prototype won the 1st prize at Electric Expo-2016 held at Pragati Maidan, New Delhi.
- d) **Energy harvesting:** CISED in association with some grass-root level innovators has developed special type of speed breakers, which can generate enough electricity to light LED lights when vehicles go over it.

(ii) Industry-Academia Inter – linkages and Incubation Center:

The University has established the Office of Dean, Research and Academics to promote Academics and Research in the University and manage industry inter-linkages. The office of the Dean will especially focus on adopting best practices in development of Academics and integrating new paradigms of teaching-learning pedagogy through development and dissemination of e-content, MOOCs, GIAN etc. The University has signed 10 MOU's with Industry/Research Institutes/Incubation Centers/Academic Institutions for establishing a credible network oo Industry-Academia linkages.

- a) **Education Programmes initiated for industry:** The University has started 3 B.Voc. programmes under the Deen Dayal Upadhyay Kaushal Kendra Scheme. In addition from this the University has started 4 B. Tech. courses under the School of Engineering and Technology with a focus on the aforementioned objectives.
- b) **Industry linked and vetted Curriculum:** University has made it mandatory for the Board of Studies of every department to have an Industry expert as a member. This ensures that the curriculum of all the programmes have industry linkages and are updated as per the latest requirement of the industry. Industry vetting also enhances the employability of the students. The University is working on the modalities of recruitment of people with Industry background as adjunct faculty.

- c) **Establishing Incubation Centre:** A detailed proposal under the Atal Incubation Center Scheme has been submitted to Niti Aayog for establishing an Incubation Centre in the University. Linkage has been established with SVI Analytica, New Delhi, Centre for Innovative and Applied Bio-processing, Mohali, Technology-based Incubator (TBI), University of Delhi, National Small Industries Corporation (NSIC), New Delhi and National Cooperative Union of India, New Delhi.

D. Research Facilities in the University:

- (i) The School of Chemical Sciences has well-equipped research laboratories with state-of-the-art facilities that allow our researchers to carry out cutting edge research work. One of the modern instruments that are being purchased is a **Fourier Transform Infrared Spectrometer (FTIR)** that is used for characterizing new molecules and materials designed and synthesized in our laboratories. Similarly, a high-end **Ultraviolet-Visible (UV-Vis) Spectrophotometer** will help in analyzing the structure and properties of research samples prepared in the laboratory. Two **rotary evaporators** have been installed in the laboratories to facilitate fast and easy distillation of solvents to isolate research samples in the required form. Purchase of major equipment such as **Nuclear Magnetic Resonance (NMR) spectrometer and X-ray Diffractometer** that will form the part of Central Instrumentation facility is also underway.
- (ii) School of Physical and Mathematical Sciences has established research laboratory in the field of Physical Sciences with the following instrumentation facilities: **Thermal Evaporation Unit** and **Sputtering Units** for physical thin film deposition, **Microwave Furnace** (20^o-1200^o Centigrade) for annealing, heating, melting and analysis of samples at high temperature; **UV-Vis-NIR Spectrophotometer** for optical/reflection/transmission/absorption and band-gap studies; **Spin Coater** for deposition of thin films using physical deposition techniques; **Magnetic Stirrer** making homogeneous mixtures by uniform heating and stirring of liquid samples; **Density Measuring Kit** for measuring density of different samples, **Weighing Balance** with a least count of 0.001mg.

In addition there is a well equipped computer lab of 25 computers with the latest Mathematical, Statistical and Computational software.

- (iii) School of Interdisciplinary and Applied Life Science is well equipped to perform Microbiology, Biochemistry, Biotechnology, Nutrition Biology and Molecular Biology experiments such as **Horizontal laminar airflow, Chambered Orbital shakers, fully automatic autoclave, High speed refrigerated centrifuge, Table top shakers, Electrophoresis Units, Western blot, Thermal cyclers, refrigerated centrifuge, Real-time PCR** for quantitative gene expression, **High precision spectrophotometer** etc. SIAL is under process of getting some major instruments like **Quaternary HPLC, gradient HPLC, ELISA Reader, BSL-II, lyophilizer** and **Fermenter**. We also have well established facility with **biosafety hoods** to study pathogenic microbes and have tissue culture facility (CO₂ incubators, inverted microscope and culture hood). The school have -80 °C & -20 °C deep freezers and ice flaking machine. There has been a purchase of **FE-SEM, TEM, LC-MS, AKTA prime**.

- (iv) School of Earth, Environment and Space Studies has established a research lab with the following instrumentation facility: **Atomic Absorption Spectrophotometer (AAS)** for Quantitative elemental analysis, **Refrigerated Centrifuge** for separation of immiscible liquids, suspended solids and fine particles, **Table top Micro centrifuge** for separation of immiscible liquids, suspended solids and fine particles, **Deep Freezer (-80, & -20 C)** for Low temperature Preservation of samples, **Bio Safety Cabinet** for Aseptic Working cabinet, **Electronic Weighing Balance** for Weighing of compounds up to 4 decimal, **UV-Visible Spectrophotometer** for Analysis of concentration of coloured compounds, enzymatic activities etc., **Incubator shaker** for the culture of microorganisms and production of microbial products and biomass, **Agarose Gel Electrophoresis Unit** for separation of nucleic acid on the basis of molecular weight, **COD digester** for analysis of organic content in water and wastewater samples, **Computer Lab with 23** systems with latest software for prediction, simulation and data analysis of Earth, Environment and Geographical data.
- (v) **Language Lab:** The Department of English & Foreign Languages has recently established Language Lab with a capacity of 30 modules. The Lab is equipped with the latest pronouncing software i.e. **Sanako Study-1200** and designed to improve communication skills of the students. The Lab provides facility to improve English language in British and American accent.
- (vi) **Archaeological Museum** containing rare relics and artifacts of the Harappa civilization excavated from various sites in and around Haryana. Special features of the museum are a full human skull, bones, jewelry items and pottery of that era.

E. Infrastructure:

- Approximately 500 acres of campus
- About 80% area is green/open area
- Concepts of Green Building, Photovoltaic roof structures and solar trees for harnessing solar energy to guide the campus development
- Campus has been developed in phases – each phase linked to the idea of an integrated Campus, housing 'State of the Art' buildings as environment friendly and energy efficient
- Such type of building materials has been selected that minimize detrimental environmental effects
- Construction items include locally available bricks, concrete, steel etc. with high levels of re-cycled contents
- Passive solar design for natural heating and cooling to optimize heat and AC system
- Trees, vegetation and bird habitat on the site are and will be protected during the construction of campus buildings
- Water harvesting projects and lakes are created within the Campus for restoring the rainwater and maintaining the ground water table in the area and to develop natural ambience to attract the birds of rare species from across the boundaries for advanced researches in flora and fauna within the campus

- Three new Academic Blocks have been constructed in the University recently. All the three Academic Block are fully air-conditioned. One seminar hall exists on each floor of these blocks with a capacity of 200 students. These buildings have been constructed keeping in view Green Building concept detailed as under:
1. Fly ash bricks and fly ash cement have been used in construction.
 2. High performance glass (double glazed) has been used having minimum heat intake and maximum daylight intake to minimize conventional electric consumption.
 3. Sun cutter louvers have been used to cut off direct entry of sunlight.
 4. Energy efficient VRV air-conditioning system has been used to save electricity.
 5. Water less urinal and water saving low flow fixture have been used to save water consumption.
 6. Provision to re-use the STP treated water for flushing and Horticulture have been made.
 7. Rain Water Harvesting has been constructed to recharge the ground water table.
